

NEW GARBAGE TRUCK—The City of Hamlin has received delivery of its new garbage truck and 50 containers in preparation to converting to a containerized system of picking up garbage. City Superintendent Ellis West said this week that he plans to begin putting the units in the alleys as soon as the PacMor Company delivers 50 more units. With the new side-loading system, the city will be able to use one man to pick up garbage instead of three men with the present system.

And What Have You

By BOB CRAIG

Over all we do not know how you might rate this season's television shows as compared to past years but at least this season has brought us some memorable moments. First there was the outstanding production of "Give 'em Hell Harry" and then the eight nights of "Roots."

It took a lot of courage for the American Broadcasting Company to spend the kind of money it took to produce "Roots" and then run it for eight consecutive nights. But, apparently it paid off as they set all kinds of records in the ratings.

And to think this is the same network that gives you Barbara Walters and Howard Cosell. And if that is not enough their local affiliate, KTXS, also offers you Bob Izzard. Boy, now if that is not a winning combination.

We can sympathize with those folks back east for the kind of weather they are having this year up to a point. And we reach that point pretty quickly when they start complaining about running out of natural gas and heating fuel. Then all of a sudden we remember that they are buying our gas cheaper than we can and refuse to permit wells to be drilled on the east coast and won't allow refineries to be built.

For some reason the thought keeps coming to mind that when Texas joined the Union it reserved the right to either divide into five states or secede. The thought of seceding looks better all the time.

While the nation and the other 49 states seem to be getting deeper and deeper in debt every year, Texas has a surplus. This is because Texans have demanded that their state government stay on a "Pay As You Go" basis. We either raise the taxes to pay for something we want or need or else we do without.

For many reasons Texas is currently the fastest growing state in the Union. Part of this is because of our natural resources and part of it is because of fiscal responsibility.

Just think if we were an independent nation we could put a tax on all of our gas and oil leaving our borders and make it bring the same price that the Arabs get for theirs. We might get enough taxes that way so that we would not even have to tax the oil and gas that stayed here for our own use.

According to Texas Chamber of Commerce figures we will pay \$24 billion dollars in Federal taxes this year. Just look at all the services we could provide Texans with that kind of money.

Elementary School Seeking Data For Kindergarten Age Students

Larry Butler, principal of elementary school is requesting the names and birth dates of all children born between Sept. 1, 1971, and Aug. 31, 1972, to complete the records needed for registration for kindergarten for the school year of 1977-78. "Many parents not having children already in school have not furnished this information, and the need for it is vital. Please call 576-3191 to report census information on your children," he urged.

Hamlin elementary school has an Early Childhood class for children age three and four years who might experience a motor, hearing, sight, or learning difficulty; hence the need for the names and ages of three and four year old children. Please call 576-3191 to report your child that is in this age group, he said.

There is also a pre-kindergarten for four and five year old children whose parents are forced to move

often because of job opportunities. These children are being helped to achieve the necessary skills to place them on an equal basis with other starting kindergarten children. Because of these programs and others in the planning stages, the school urges all parents with children under 5 years of age to call 576-3191 and give the needed census information.

All children enrolling for the coming school year will need to have a state birth certificate (not the certificate issued by the hospital at time of birth); a complete immunization record showing three DPT booster shots, three polio and booster, a measles and rubella shot, and a social security number.

All children in need of immunizations may go to the City Hall building each third Thursday from 9:30 to 11:00 and receive their immunizations free of charge.

Principal Butler said, "We also urge all parents of incoming pre-school children to bring their children's birth certificate, immunization record and social security number to the Elementary School office for recording. Also, we urge parents with any pre-school child to call 576-3191 and give us the information on your child so he will not miss out on any programs or classes that might be available to make their beginning school an easier process."

Junior Varsity Tourney Set Here This Weekend

Pipers Can Win District 7-A Championship Friday

The undefeated Pipers will have a chance to wrap up the District 7-A championship here Friday night when they host the Crowell Wildcats. While the Pipers will still have one district game left Tuesday with Paducah, a win Friday would give them the district title.

The girls are still undefeated in the second half of

play but must win over both Crowell and Paducah to share in the district championship. A second half championship by the local girls would force a playoff with the first half champions, Crowell.

A loss by the Pipers to Crowell Friday would likely give the Wildcats the second half championship and put Hamlin and Crowell into a playoff to determine the district representative.

Hamlin won both varsity games at Knox City Tuesday night but lost the boys junior varsity contest. The Pipers won 78-71 over the Greyhounds while the girls won 40-31. Knox City won the JV game 70-38.

The Pipers led 45-28 at halftime before Knox City started cutting into their lead as Coach Keith Barrick used a number of substitutes during the second half. Top scorer for the Pipers was Delbert Thompson with 26 points. Joining him were Charles Brown with 16, Ronald Brown with 12, Bo Ervine 8, Stanley Jones 14, Otis Willis 2.

Starlet Covington led in scoring for the girls in their win over Knox City with 16 points, followed by Stacy Bell and Elizabeth Hooper, each with 12 points.

Playing here Friday night, both varsity teams won over Munday with the girls winning 61-38 and the boys winning 92-66. No junior varsity game was played.

The Pipers picked up a five point lead in the first period and outscored Munday 29-9 in the second period to go in a halftime with a 50-25 edge. Thompson was high point for the Pipers with 31 points while Toliver (6'7") was high for Munday with 41 points.

Others scoring for the Pipers were Charles Brown with 21, Reynolds 6, Ronald Brown 9, Ervine 16, Gonzales 2, Jones 3, and Marshall 2.

Starlet Covington scored 25 points to lead the girls to their fourth second round victory as the girls lead 18-13 at the end of the first period and then outscored Munday by 13 points in the second quarter. Elizabeth Hooper had 21 points, Stacy Bell, 12, and Tracy Gregory 2.

MISS COUNTRY MUSIC U.S.A.
Kim Russell, to appear in concert

Kim Russell to Give Concert Here Sunday

Kim Russell, "Miss Country Music U.S.A." will present a concert of gospel music here Sunday evening at 7 at the First Baptist Church.

She will also be the featured guest for the church's Youth Valentine Banquet Monday evening. She will present the program for the banquet in Fellowship Hall.

Miss Russell is a former member of the Anita Bryant Singers and was Anita Bryant's personal secretary. She has shared her faith throughout the country.

Her personal evangelism

includes singing and giving her testimony in churches, colleges, conventions, youth rallies and on her own television show in Oklahoma.

She was named Miss Country Music U.S.A. in 1975, was Miss Congeniality and talent winner in the Miss Teenage Oklahoma in 1971, and has won the talent award and first runner-up in five Miss America preliminaries.

She has worked with Bob Harrington in his evangelistic rallies.

This fall, she will be cutting her first album and is now in full time evangelism.

Comments:

SEEKING COMMENTS—The City of Hamlin is still seeking comments on a proposed dog and cat ordinance, according to Johnny Steele, city secretary. The city has received a number of survey forms, but would still like to hear more people on the subject. The council will consider the ordinance at its next meeting, scheduled for Monday, Feb. 21. If you have any comments on the subject please fill out the above survey and mail to City of Hamlin, Drawer N, Hamlin, Texas 79520.

FROM THE FILES...

FIFTY YEARS AGO (January 28, 1927)

The third show of the Central Texas Poultry Association was held in this city Wednesday in the brick building just north of the Model Hotel. The show was well attended by people from all over the county, and the exhibit was far ahead of what most people had expected it would be. There were chickens of every kind and description, the daintiest baby chicks which came from The First Pick Hatchery, at Anson, and the Sunset Poultry Farm at Rule, there were young, smart looking pullets stepping around in all their youth and glory, and there were the more matronly looking mothers and dignified fathers diked out in their most gorgeous plumage, and each one crowing and looking like he would like to say, "just look at me, don't you think I deserve the prize?" And truly we felt that the judges must have had a task in making the decision.

The Merry Matron "42" Club met Wednesday, January 28th, with Mrs. Fred Moore.

The warm, cozy rooms were most inviting after being in the dreary weather outside. A series of interesting games were played after which it was found that Mrs. Burns Eakin held high score for the Club.

The hostess, assisted by her niece, Miss Catheline Mayfield, served a lovely salad plate to the following: Mesdames C. G. Green, Garland Tumlin, John T. Day, J. F. Taylor, J. C. Randel, D. J. Payne, Guy McNeill, J. W. Ezell, Burns Eakin, A. E. Pardue, J. E. Moody, members and Mrs. L. T. Cox, guest.

Of course, one of the first things we would have to do is pass a very strong immigration policy. We sure would not want all of those frozen Yankees pouring in on us. Probably the only permanent newcomers we would want to allow would be those with investment capital or those who might have skills in critical areas.

And of course we would want to continue to welcome tourists but here again they would have to be limited to a certain time period and be able to prove that they had money enough to spend.

As for all of the military bases in Texas we could lease them to the United States like other nations are doing if they want to keep them.

Naturally everything would not be simple. We would have to come up with our own postal service and our own welfare department (somebody would have to take care of those senators and congressmen we won't need anymore). Maybe we could continue to do without an income tax so we would not need an internal revenue service.

We would probably have to spend about a year going through all of the rules and regulations that we presently live under to see if any of them have any value and would be worth incorporating into our new government.

The sad part of this is that it started out in jest but makes more sense the more you think about it.

Drummond, son of G. W. Drummond of Route 1, for the United States Air Force Academy has been announced by Congressman Omar Burleson from Washington.

This nomination qualifies the local young men to compete with the nominees of other Texas congressmen for one of the openings for Texas boys in the next class to be formed at the new academy in Colorado. The Air Force will conduct a series of tests of all nominees and then select a number for admission this coming summer.

Both the young men are now senior students at Hamlin High school.

Actual work on the new \$60,000 addition to the Hamlin Memorial Hospital is due to be started this weekend or early next week, it was announced Wednesday by W. L. Fletcher, president of the hospital association.

The new addition will be a 148x37-foot east wing to the present \$115,000 hospital plant. Facing east, it will provide a new entrance to the hospital, and house doctors' offices and clinical laboratories and equipment.

Members of the primary department of the Baptist Training Union of the First Baptist Church enjoyed a banquet in the basement of the church Thursday evening.

Rev. Calvin Bailey, the pastor, was the speaker. The rhythm band, directed by Mrs. Vernon Sharer, played two numbers.

Mrs. George T. Campbell, department TU director, was in charge of the party. Helpers were Mesdames J. O. Murphree, Vernon Sharer, Wesley Niedeecken and Connie O'Neal.

Bill Harbert, who was associated with the late Bob Barrow, owner of the R. Y. Barrow Furniture store, since 1954, has purchased the store from the Barrow estate. The name will be changed to Harbert Furniture.

Harbert, a graduate of Hamlin High School and Hardin-Simmons University, worked for Carl Murrell after graduation until Apr. 1, 1954, when he joined the furniture company.

Gil Lain exhibited the Grand Champion Chester White Barrow at the San Antonio Livestock Exposition last week. He returned home Thursday. He plans to exhibit some barrows at the Houston Fat Stock Show later this month.

Guiding the activities of FFA chapter during 1966-67 are Robert Moore, president; Donnie Jones, secretary, Gil Lain, reporter; Randy Smith, vice president, Hollis Stephens, treasurer, Jim Bonds, sentinel and Jayne Carol Turner, sweetheart.

Break-ins were reported by seven businesses when they opened for business Sunday. Most of the businesses reported the money in the cigarette machines as the prime target. Places were Oliver Fina Station, Walton Humble Station, Mayfield Gulf Station, Helen Stewart's Station, Roy Server's Conoco Station, the Pastime Club and Jordan's Drive In.

Three vacancies will be filled on the City Council in the election called for April 4. The terms of George Campbell, Irby Weaver and Cecil Sellers are expiring. Campbell and Weaver have announced that they will seek re-election.

Whiter than Snow...

"Purge me with hyssop, and I shall be clean: wash me, and I shall be whiter than snow." The Psalmist desired to be pure and white as snow, and knew that this could come only from God. Complete joy, and gladness of a pure heart can be yours too, when you walk close with the Lord.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Everyone interested is urged to mark their calendar, bring a friend and join in the program, Mrs. Wilburn said.

Homemakers Set Meeting

The Hamlin Young Homemakers Club will meet Monday at 7:30 p.m. in the home of Mrs. Bill Hodnett.

All members and other interested persons are urged to attend, said Mrs. Pat Willoughby, president.

SCOUT NEWS

April Walker, a transfer from Haskell, is a new member of the third grade Brownie Troop 354.

A recently completed activity of the Troop was the making of "sit upons" to be used for camping when the weather is warmer. The sit upons are made of denim and each girl made her own design with liquid embroidery. Each design included the troop number and town.

TEXAS CHICKEN DINNER

- 1 (2-1/2 to 3 lb.) Texas broiler-fryer
- 3 beaten eggs
- 3 cups cornflakes, crushed
- 1 cup ground peanuts
- 1 cup melted butter
- 1 tsp. lemon juice
- 1 cup sliced mushrooms
- 1 cup chicken stock
- 2 Tbsp. flour
- 3 Tbsp. sour cream
- 3 cups cooked rice
- 1 (2-1/2 oz.) jar pimiento, chopped
- 1 Tbsp. parsley

Cut up the broiler. Sprinkle with salt and pepper. Dip chicken in beaten eggs. Combine cornflake crumbs and ground peanuts. Dip chicken in peanut-cornflake mixture. Brown chicken in butter. Cook until tender. In lemon juice saute sliced mushrooms. Add chicken stock, flour and sour cream. Cook and stir until smooth. To serve place chicken on rice. Pour mushroom sauce over chicken and rice. Add pimientos and parsley. Yield: 6 servings.

For additional chicken recipes, write Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

Philosopher Finds Scientists Don't Know Whether the World Will Freeze or Melt

Editor's note: The
Neinda Philosopher on his
Johnson grass farm on
Route One discusses the
weather this week. Why
not? Everybody else is.

Dear editor:

Some weather scientists
are predicting another Ice
Age may be on its way across
the earth. Apparently they
haven't been outside this
winter as most of us thought
it was already here.

According to them an Ice
Age hits every 10,000 years
and it's now been 12,000 years
since the last one. This is
about average for weather
predictors; they missed it by
2,000 years. I have always
contended that weathermen
are excellent when it comes
to telling us what happened
yesterday, but a little slip-
shod about what's going to
happen tomorrow.

When a forecaster says it's
going to be fair tomorrow and
it turns out rain comes down
in torrents, he wasn't wrong,
the weather was. The first
requirement of a weather-
man or a Congressman is to
be able to ignore today what
you said yesterday. I suspect
when weathermen retire they
become economists who
predict the economic index is
going to take a turn upward in
the next quarter.

Speaking of this winter, I'm
sure the suggestion that we
should turn down our ther-
mostats to conserve energy
ought to be endorsed by
everybody. It's already been
endorsed by the makers of
sweaters, overcoats and long-
handle underwear. Makers of
cold remedies will be next.
And as soon as they hear
about it, people who sell

firewood at \$75 a cord will
come out for it too.

Back to the possibility of
another Ice Age. Opinion is
divided. One group of
scientists says it's coming.
Glaciers will creep slowly
over the earth and we'd
better get ready to do
something about it. Another
group says no, the weather
isn't turning colder, it's

turning warmer and there's
danger of that permanent ice
at the North Pole and other
places melting and sending
the oceans flooding over the
coastal cities of the world.

This leaves us where we've
always been. We don't know
what the weather next week
is going to be.

Yours faithfully,
J.A.

BOY SCOUT NEWS

Hamlin Boy Scout Troop
143 brought home four rib-
bons from the cold and rainy
Klondike Derby competition
at Hamlin South Lake Jan. 22.

Although none of the
patrols earned a blue ribbon,
the Pedro Patrol scored
enough points to get a second
place red ribbon. Those
scouts forming the Pedros
were Kevin Benningfield,
Dale Patterson, Bobby Wall,
Dwayne Duncan, Mike
Harper, Kenneth Johnson,
Craig Willis and Keven
Willis.

The Hawk Patrol of Jim
Austin, Gordon Roberts,
Mitch Lawlis, Carl Wade,
Jimmy Woods, Mike Byrd
and Baron McMillen gar-
nered a yellow ribbon.

Both the Roadrunner and
Bear Patrols received white
ribbons. The Roadrunners
are Kerry Smith, Tony
Wright, Greg Young, Craig
Cowan, Johnny Chase and
Billy Howerton. The Bears
are Steve Austin, Tim
Hawkins, Billy Bond, John
Bill Maddox and Steven
Reynolds.

Order of the Arrow
member Steve Campbell
worked on the staff of the
camporee.

Scoutmasters Jerry Gooch,
Davis Weaver and Samuel C.
Ferguson also attended.

Three of the scouts'
fathers, B. J. Howerton,
Glenn McMillen and Steve
Reynolds, spent much time at
the camporee and assisted in
the adult leadership of the
group.

The local scoutmasters
thank all those adults who
helped in any way toward the
success of the camporee,
especially their wives who
put up with these weekend
outings and stay home with
the children.

SLOWLY

Getting rich isn't easy. In most
cases, it's impossible. However,
reaching a realistic financial goal
is possible with careful planning
and a regular savings program.
As an example, the savings
timetable (right) shows how long
it will take to reach various
financial goals. The chart is based
on: (1) regular savings deposit on
the first of each month; (2)
savings deposits of the same
amount every month; (3) 5.25%
passbook savings and daily
compounding to produce a
5.39% annual yield.

Services Held Thursday for Mrs. E. C. Feagan

Funeral for Mrs. Elmer C. (Lucy) Feagan was held at 2 p.m. Thursday at First United Methodist Church with the pastor, the Rev. Howard Marcom, officiating.

Mrs. Feagan died at 7:45 p.m. Tuesday, Jan. 25, at Hamlin Memorial Hospital.

She married Elmer C. Feagan in Hamlin in 1914. He died April 30, 1976. She was a member of the Methodist church.

Survivors include three sons, E. C. Feagan Jr. and James Robert Feagan, both of Hamlin and Richard W. Feagan of Brownfield; six grandchildren and six great-grandchildren.

Burial was in Hamlin East Cemetery under the direction of McCoy Funeral Home.

Pallbearers were Paul Goodgame, Ray Ulmer, James Stewart, Jack Willingham, Orville Waymire, Bob Riddell, Willard Maberry and Burl Sauls.

Former Local Resident Hurt

Mrs. Ward McDowell of Rt. 2, Glen Rose, formerly Mary Tindal of Hamlin, was injured in a car accident over the weekend. She was entered into the Glen Rose hospital having suffered a broken back. She is expected to be confined in a cast for several months.

The accident occurred as she was returning home after visiting her son, Henry, in Dallas.

Services were held in Abilene at 2 p.m. Sunday and burial was in Rochester Cemetery in Rochester.

On Honor Roll

Michael William Brown of Levelland is on the Dean's Honor Roll at South Plains College for the fall semester.

The honor roll includes students with 3.25 average and above. His average for the semester was 3.8.

EAGLE EYE NEWS

Compiled by the Journalism Class of McCauley High School Geneva Carter, sponsor

Shiela Jeffrey attended the banquet honoring the Texas Junior Angus Association Jan. 29 at 7:30. The banquet was held at Fort Worth. Elections were held for state officers and Shiela was elected secretary-treasurer.

Eight McCauley High School students have been helping the elementary with their reading. The students are James Jeffrey, Earl Williams, Wilma Williams, Dennisa Decker, Fernando Romero, Alex Escamilla, Janet Cassidy and Kathy Pippin. Some meet three days a week for one hour. Others meet every day. This is a good experience for the elementary as well as the high school students.

The Fort Worth Stock Show was held this past week. Darren Jeffrey entered his beef cattle and came out with 10th place. He also was honored with Showmanship in the Texas Junior Angus Association showmanship contest.

Last Friday night the McCauley Eagles took on the Luaders-Avoca Raiders in the Eagle Gym. The girls won 47-38. Cherie McKinney was high point scorer with 20 points. The boys lost 51-43. Russell Pippin was high point scorer with 15 points. The girls' standings now in District are 3-1. The boys are 1-3. Tonight the high school and junior high travel to Paint Creek to take on the Pirates.

The first week in February the high school annual staff will begin their candy sale. Chocolate bars, moppets and hard candy will be sold. Contact any annual staff member and he will be glad to sell you some candy.

Thomas Smith Honored With Service Award

Thomas D. Smith was recently presented a 20-year service award for his work as observer for the National Weather Service and the U.S. Geological Survey. He received the award from the Regional Substation Management Branch, Fort Worth, by Dave Harmon, official-in-charge of the Abilene Weather Service office.

Smith is the official cooperative observer for station-Hamlin 9 NW. He takes daily river stage readings on the Double Mountain Ford of the Brazos River. When the river stage is six feet or more, he telephones the information to the Abilene Weather Service office.

When C. G. Viertel of Aspermont died last year, Smith also took care of the Aspermont weather station until Jim Hecht assumed the duties. There was no loss of record at the Aspermont station due to Smith's civic pride and dedication to keep a continuous weather record for the area, Harmon said.

Services Held Saturday for Connie Drake

C. T. "Connie" Drake, 79, a Jones County resident since 1908, died at 9:25 a.m. Friday at Hamlin Memorial Hospital.

Funeral was held at 2 p.m. Saturday at First Baptist Church Chapel with the pastor, the Rev. Howard Jones, officiating.

Burial was in Hamlin East Cemetery under the direction of McCoy Funeral Home.

Born July 10, 1897, in Hill County, he was the son of the late Mr. and Mrs. N. A. Drake.

He was a retired farmer. Survivors include one nephew, L. A. Buck Richie of Tulsa, Okla.

Pallbearers were L. C. Bonds, Joe Bonds Jr., W. L. Hunter, Burnia Reid, Wayne Hodnett and Joe Ford.

SERVICE TECHNICIAN— Jesse Huggins, 45, has joined Joe Hudspeth's as service technician working on most brands of major appliances. Retired from the air force after 21 years, he has attended three appliance schools and has had seven years experience with appliance repair.

Personality Quiz

DO YOU PRACTICE GOOD ETIQUETTE?

Etiquette is something you learn, not something you're born with. Take this quick quiz and see how you score. If you answer three or more questions correctly you have had a higher education in etiquette.

1. Does a young bride properly thank friends and relatives for wedding gifts by (A) sending a printed or engraved card of thanks (B) making a personal phone call to express her gratitude (C) personally handwriting her thank-you on a sheet of note paper?

2. When a single girl is invited to dinner at a bachelor's apartment, should she (A) go for a prescribed amount of time (B) take a chaperone with her (C) decline the invitation?

3. An acquaintance has passed away and relatives request that mourners please omit flowers and send contributions to a charity instead. You should (A) do precisely as requested (B) send flowers and contribute to the charity (C) simply attend the funeral?

4. When a dinner party is in progress and one female guest arrives late, should (A) all the men rise (B) remain seated (C) only the man who has been seated to her right should rise?

5. If a man and woman are walking on a very crowded street, should the man (A) always walk on the outside (B) take the woman's arm and push her through the crowd (C) walk on either side, behind or ahead, so long as it is the most convenient for both?

Answers: 1. (C) On a sheet of note paper, and in her own handwriting, the young bride must send a separate letter for each gift received. Sending a printed or engraved thank-you is considered inexcusable rudeness.

2. (A) A career girl may readily accept such an invitation, but should not stay beyond ten or thirty. Only "teens" need be chaperoned.

3. (B) People are always happy to receive flowers—

the universally accepted symbol of sympathy.

4. (C) The only man who needs rise is the one seated to the right of where the late-arriving lady will sit.

5. (C) Walk in whichever position is convenient to both. Continual switching to stay on the outside is a nuisance, and pushing the lady ahead can be dangerous—for her.

Mr. and Mrs. Charles Ray Ledbetter are parents of a boy, Wesley Ray, 5 lbs. 14 1/4 oz., born Jan. 28 at 2:01 a.m. They have another son, Kenneth Wayne, 2. Maternal grandparents are Mr. and Mrs. Carl Meyner Jr. of Moscow, Tenn., and Wanda Meyner of Boyd. Paternal grandparents are Mr. and Mrs. Charles S. Ledbetter of Hamlin.

Our American Economic System is ☐ good ☐ bad. (check one)

We asked thousands of your fellow citizens this question. You should know how your answer compares with theirs.

Not too surprising, most people have gripes. Inflation. Unemployment Taxes. These are among the concerns that topped the list.

Yet, if you checked "good," you join the great majority of Americans (about 80%) who believe that fundamentally the American Economic System—with the individual freedom and high standard of living that have accompanied it—is the best in the world.

The question is: how do we overcome the bad without destroying the good?

Obviously, the more we all know about our system and how it works, the better we can decide what to preserve, what to change.

That's why we are offering a booklet that explains the American Economic System. It is easy to read, interesting—and free. Mail the coupon for your copy today.

Every American ought to know what it says.

The American Economic System.
It's one of your basic freedoms.
